Hi Mike,

July 10th in the afternoon works best for CFAC/Roux. Does 3 PM EST/1 PM MST work for EPA?

Laura

Hi Laura,

I have a little dilemma, Lynn and Gunnar are on vacation until July 5. I am off on the 5th and 6th. I'm not sure we have any time critical issues, therefore I am hoping you could draft response to comments and we call to discuss this on afternoon of July 9th or morning of July 10th. In the meantime I can have folks looking at your draft responses. Your thoughts?

Thanks
Mike

Subject: Schedule Call to Discuss Soil Background Comments

Mr. Cirian,

CFAC/Roux are preparing responses to USEPA's comments on the soil scope of the Background SAP. CFAC/Roux would like to setup a conference call with EPA/MDEQ on Thursday morning, June 28th, to discuss the comments. Please let me know your availability for an hour call on Thursday morning.

Thank you,
Laura
